A fresh face for Men Only is always welcome, and when it comes in the shape of Madlin Moon, it really is a welcome sight. So, tell us a little bit about yourself? "Well, I've been in the adult industry since 2012, and I've got a few more tattoo's than I had when I started." We hear you get quite the audience on camera? "Most of the time there are more than a few horny guys waiting for me after I've finished a scene, which I absolutely love, and more often than not I'll let them take me out for a drink or two!" Looks like there's no stopping this one.

DEAR MEN ONLY,

The rain was horizontal as I ran across the car park. Even with an umbrella I was barely keeping my top half dry and it seemed a long time since I'd been luxuriating under the hot shower at home. I thought back to the leisurely breakfast, the toast and coffee and cursed myself as I ran. If I'd got a move-on, I would have been at my desk looking out at this sharp shower rather than running through it. I stood dripping in the lobby waiting for the lift and examined the damage – I was soaked to the skin from just below my crotch. Why had I chosen to wear jeans? They creaked as I shuffled into the lift. I pressed 'three' and tried to think of something – I didn't want wear wet jeans but the only other option seemed to be to spend a day in the office in just my knickers. I laughed at the image – at the cheap thrill it would provide for the rest of the team.

An umbrella appeared in the gap just as the doors were closing. The doors opened to reveal Richard. "Glad to see that I wasn't the only one," he said cheerfully, looking down at my legs. Now that I looked, I could see his black trousers we clinging wetly to his legs.

I narrowed my eyes at him. "Thanks," I said, allowing some of the annoyance I was feeling to slip into my voice.

"Haven't you got something to change into?"

"No, not really – who keeps a change of clothes at the office?" I asked sarcastically.

"Me," he replied with a shrug. I could have throttled him. "I might even have a spare pair of tracky bottoms which I could lend you." I leapt at the kind offer… only it wasn't an offer, it was a trap.

"Pardon?" I asked, feeling the heat rising in my body. Richard was holding the pair of tracksuit bottoms but had just revealed the terms of lending them to me.

"I need you to give me your jeans first, as collateral."

"And how am I supposed to do that?"

"You just take them off and give them to me."

"You want me to take off my jeans… in here?"

"Yes, it's quite easy. Watch." And watch I did as Richard kicked-off his shoes, unbelted his trousers and dropped them on the floor. "See? Easy." I felt myself blushing as I looked down. Richard's blue boxers were undeniably two shades, dry and wet, and they were bulging.

"Your… err…. boxers are wet." It was a challenge; he'd been expecting me to strip to my underwear, now I found myself demanding even more from him.

"So they are. I suppose they'll have to come off too." I took a sharp intake of breath as he whipped them down his legs and stood-up, leaving a fully-erect cock pointing at me. I was genuinely shocked, incredulous at what had happened, at what my eyes were seeing.

"Your turn," Richard said, grinning. My fingers worked the buttons of my jeans and he watched as I wriggled out of them. Was he going to try and have sex with me? If he did, would I let him? My body already knew the answers to both questions. I knew what I wanted and went across his office to make sure the door was locked.

"Is your pussy wet?" he asked, cheekily. Not my knickers – my pussy. I perched on the desk in front of him, pulled my knickers to one side and used my fingers to spread my labia. As he watched open mouthed, I inserted my middle finger, using it as a dip-stick. It came out glistening with juice and I held it up for him to see. Richard gripped my wrist with both hands and took my finger into his mouth. I loved the way he did it, the enthusiasm, and the hunger. I knew what he wanted from me.

"May I?" he asked softly, looking deep into my eyes. I nodded, my fingers gripping the desk as he dropped to his knees, facing my crotch. He didn't go for my pussy right away; he started by kissing my knee, working slowly up my inner thigh. It's a very sensitive area for me and I was desperate for more by the time he reached the material hiding my pussy. I will never forget the way it felt as he lightly kissed the damp material – it was a deliciously teasing mix of ecstasy and torture – enough to stimulate but not enough to satisfy. My crotch pushed out against his mouth, desperately trying to heighten the sensation but I only got true pleasure when Richard finally eased the wet material aside.

> "My arse cheeks were touching hers and he rubbed my pussy as he pounded Hayley's cunt, making her scream herself to orgasm."

He licked and sucked my pussy in a way that drove me wild. His tongue was hard, then soft; moving with little licks and then great sweeping circles. Forgetting where I was, I started to moan, both to show my appreciation and to encourage him. So what if someone heard? I grunted happily as I felt pressure being applied to my hole and two fingers slipped inside. My hips lifted off the table and pushed down against the penetration and his mouth. It felt amazing – but I wanted more. I was on the edge of an orgasm which broke as Richard sucked my clit into his mouth and tapped the exposed button with the tip of his tongue. I wailed, my fingernails biting into the desk as I forced my crotch into his face.

Before the orgasm had properly subsided, Richard was moving up and over me. “I need to fuck you,” he growled, even as his cock was slipping inside me. This was the kind of sex I had often fantasised about: hard, passionate and hungry. Richard’s hands found my knees and spread my legs as he pushed his cock deep inside me. “Oooooh fuck!” I watched Richard’s face crease with the effort of pounding into me.

“When I cum, I want to shoot it all over your face.” My pussy clenched in response to his dirty words.

“In my mouth,” I corrected. “I want to swallow it all.” The words made him groan with desire. The speed of his stroke increased just when I needed it most. I came again. The pleasure was harder and sharper this time; more satisfying as I rubbed my clit even as Richard continued to fuck me. He withdrew and I slipped off the table, falling to my knees, offering my open mouth to him. He had perfect aim – that first dollop of cum landed on my outstretched tongue and he shoved his cock into my mouth just as the second salvo fired. I sucked hungrily, wanting to take his seed from him and demonstrated my oral skills by extracted every ounce of pleasure for him.

“Well,” he said, and I returned the smile after I’d swallowed for the final time. “I think you’ve more than earned these.” He handed over the tracksuit bottoms. I’d almost forgotten how this had all started. I tugged them on – they were black and once I’d adjusted them, they were pretty respectable. Richard was wearing a matching pair by the time I’d finished. “Feel free to pop in later to pick these up,” he said, holding-up my soggy jeans for inspection.

“I take it there’ll be a collection fee?”

“I’m sure we’ll be able to come to some arrangement.”

Chloe, Knaresborough

DEAR MEN ONLY,

Since I took a job as a drinks waitress in a posh bar, I’ve had so much attention from the wealthy guys. I’ve always been highly sexed and love to be flattered by men. It certainly makes a change from getting negative hassle from customers like I used to at the old restaurant I worked in. Most of them are just too old for me to fancy though, however much money they might have. Nonetheless, you do get some young guys in there, who are single and have plenty of money to flash around. office in just my knickers. I laughed at the image – at the cheap thrill it would provide for the rest of the team.

Two guys around about thirty had been coming in for a couple of months, and always had girls in tow who looked beautiful, but simply hung on every word they said. One busy Saturday night it was no different, and the guys and their dates propped up the bar all night, drinking champagne and shots. I’d chatted to them a few times, but this time they both seemed more eager to chat than usual, asking me when I finished work and if I wanted to party with them. I was up for a bit of a laugh, so agreed, telling them I finished at one. I was very surprised, however, when they packed their girls off home in a taxi before closing and waited at the bar for me. I didn’t care though, as I was now on my own with two hunky guys and was chuffed to have finished work.

After a few drinks at a bar nearby with a later licence, one of the guys, Tom, suggested we dive back to his for some cocktails. His apartment was amazing, and no sooner had I sunk down in his huge corner sofa than a perfect cocktail was being passed to me. After a few drinks more I asked them, “Why did your girlfriends leave?”

“Oh, they’re not our girlfriends – anyway, they’re boring,” Tom replied. I giggled slightly, and saucily asked, “How do you know I’m not?” Tom smiled and said, “Do you think we would have got rid of them, if we thought you were?” His friend, Alex, sidled along next to me and, taking the drink carefully from my hand and placing it on the table, began kissing my neck. My eyes were fixed straight ahead at Tom, who raised his eyebrows at me, just to check I was all right with the situation. Once my smile of approval had been delivered back, he was on the floor in front of me running his hand under my skirt.

Dragging my knickers back over my thighs, he pushed my skirt up and buried his face into my mound. His tongue began teasing my button immediately, and I clenched my bum cheeks rhythmically, raising my pussy against his face with each lick. My free hand was my left, which was clumsily fumbling for Alex’s dick that he was freeing from his trousers. Once it was out, he stood up on the sofa next to me, allowing me to reach around with my right hand. Once I had it in my grip, I began to masturbate it hard, inches from my face.

Edging forward, he soon had his bell-end touching my open mouth as I continued to wank him off. Dipping my head over it, I was using my tongue on the underside of his shaft as he gently fucked my mouth. It was incredible to be giving him this pleasure whilst my own pussy tingled from the tonguing it was receiving. That tongue was soon replaced with another dick, however, which parted me easily, before sliding into me.

With Tom now shagging me for all he was worth, his friend stepped out of his trousers and across my chest until his feet were either side of me. I could now deep-throat him head on, taking him really far into my throat. I eased off on him, taking each ball into my mouth and licking under his scrotum, teasing his pulsing prick.

Suddenly, I heard an, “Oh fuck, I’m going to fucking cum!” from Tom, and I quickly took Alex from between my lips and breathlessly commanded, “In my mouth!” His face contorted with pleasure and, grabbing his meat tightly in both hands, he recklessly clambered up to me as Alex got out of the way. An almighty shot of spunk greeted my open mouth, and clamping my lips around it I swallowed every last drop that he had to offer. I felt a new prick in my cunt pumping away urgently. The whole of my lower body went numb as I came heavily over his shaft.

“Can you take some more?” Alex panted at me, and with my eyes still glazing over I just nodded. Soon his cock was back in my mouth, squeezing the second wad down my throat. I was behaving so filthily now, that I insisted on keeping him there until I’d licked his foreskin clean. Tom had been wanking at the sight of this, and managed to produce a few more drops of come, which I slurped down from the tip of his dick.

My thighs were spread wide apart, sticky from all our sweat and my own juices. I had a spent prick in each hand, either side of my face, and had the taste of both their loads filling my mouth. It was an experience unlike anything I had felt before. And another thing – I had certainly proved them right about not being boring!

Lauren, Scarborough

DEAR MEN ONLY,
My friend Hayley and I have been going out on the pull together ever since we looked old enough to get into pubs. Over the past few years we have shared more than a few stories and naughty situations together. The one thing we hadn't shared before, however, was a bloke. We were chatting about this, when Hayley suggested that we break a habit of a lifetime. I was even more surprised when she explained what she meant! She finished by saying, "We can't let the men go round thinking they're the only ones who can act like that."

> "The first drop of cum landed on my outstretched tongue and he shoved his cock into my mouth just as the second salvo fired."

The next time we were out in our local late bar, Hayley was all over some guy, and he was desperate to get her out of there and back to his. "I can't leave my friend here," she told him when we were all stood together by the exit. He reluctantly agreed that I could go back to his as well, as he was clearly so desperate to shag Hayley. In the cab, Hayley was whispering stuff into his ear all the way back, and I knew his balls must have been aching with anticipation.

He had a really nice flat and made us both a gin and tonic, making stilted small talk with me whilst hinting to Hayley that he wanted to get her into bed. His final effort came when he said to me, "You can stay over you know, Emma, I'll make the spare room up for you, it's no problem." Hayley instantly interjected with, "Can't we both stay in your bed?" His only response was to laugh nervously, obviously waiting for me to protest. When I didn't, Hayley continued, "Have you never had two girls before?" Still not sure if she was joking, he slowly shook his head. "Well, we've never had one bloke together before," said Hayley confidently and leaned in to kiss him.

Watching them snog and grope each other on the sofa, I wasn't sure what to do, and felt a little nervous. Hayley motioned me over with her eyes and began to undo his flies, rubbing her hand over his dick as it bulged in his underwear. I walked over to them, and when I was close, Hayley reached out for my wrist and pulled my hand towards his crotch. His prick was straining to be released, so I pulled back the band on his Calvin Kleins, allowing it to stand erect.

As I began to work my hand up and down it, Hayley cupped his balls and started rolling them gently against her palm. The guy couldn't believe his luck, and uttered a breathless, "Fucking hell!" The next thing I knew, Hayley had slid down on to her knees next to me, and began to tease the tip of his pole with her extended tongue. His shaft was still in my hand and I found myself feeding my friend's face with his meat. Taking his cock out of my hand, Hayley removed her own lips and muttered seductively, "Are you going to taste it, Em?" His dick twitched like crazy as I took it in my mouth, and soon we were working it between us, passing it in and out of our lips, one of us tonguing the scrotum whilst the other deep-throated. It was so fucking horny, just seeing how wild we could drive this guy we'd just met.

Hayley left me sucking him off whilst she stood up and took her skirt off, followed by her panties. I took it out of my mouth, allowing her to steer his length into her snatch, sinking down on him so slowly that he moaned his pleasure. Hayley was soon fucking him like a woman possessed, and I was snogging him as he fondled my tits and tweaked my nipples.

"Touch each other," he begged, and I turned to Hayley to see her reaction. She just smiled wickedly and replied, "You better fuck us both hard if we do, okay?" He nodded eagerly, and soon I was behind her kissing her neck and rubbing her big tits as she rode him. Her skin felt amazing, and it didn't feel strange at all touching my friend.

By the time I was touching her clit she was almost ready to cum, but she suddenly demanded, "Fuck us both on our knees," drew herself up off him and waited doggy style on the floor. I copied this position alongside her. My pussy was sopping wet from pleasuring both of them. My arse cheeks were touching hers, and he poked and rubbed my pussy as he pounded Hayley's cunt, making her scream herself to orgasm. She'd barely subsided when he quickly pulled his cock from deep inside her and positioned it at my entrance. I just had time to part my own fanny lips before he was driving it inside me.

I needed it badly and knew he wasn't going to last for long, so I rocked back against him, my bum slapping against his thighs. Hayley was now urging him to make me cum. I didn't keep him waiting and soon I came, allowing my juices to drench his cock. He immediately pulled out from me and sprayed his load over my bum.

Recovering from my climax, I just stared wild-eyed at Hayley, who was wanking the last few drops of jizz from his penis. We didn't need to say anything, but the wicked look she gave me summed up how much we'd both enjoyed it. We knew then that things would never quite be the same again.

Charlie Monaco is no stranger to the pages of Men Only. "I get some of the best letters from your readers, they're absolutely filthy, and sometimes they even come with some wonderful presents. So, I'd like to say a big thank you to anyone who's written to me and sent me goodies. Some of your letters have made so horny that I've had to get my vibrator out and frig myself off!" You heard it here folks, but in the meantime tell us more out this vibrator of yours...

Miss BEHAVIOUR

Real Life Adventures

Girls behaving badly...

I love New Year's Eve. Every year, I go out to one of the hottest parties in Cardiff and get absolutely bolloxed! The last few years I've been single, but I really don't mind – there's something particularly sexy about grabbing the nearest cute guy at the count of midnight and snogging his face off!

Like last year, for example. I had been out drinking with my best mates since around 3:00 that afternoon, so was already feeling pretty messy by the time we got to the club at 9pm. We had a great time there, though – dancing on the tables, doing tequila shots like they were going out of fashion and getting off with as many blokes as we could get away with!

By the time 11:45 rolled around, I began scouring the crowd of dancing strangers for a man that I could grab as the countdown began. Then, I spotted him. Tall, blonde, gorgeous… Just my type! I sidled up to him and began dancing sexily, knowing that I'd instantly got his full attention. Turning my back on him and grinding against him, I felt this hot stranger grab my hips and reciprocate, his pelvis moving against mine in time to the music.

> "I rubbed the outline of his stiff dick, loving the way it twitched under my touch."

When the countdown began and midnight hit, he spun me round to face him and kissed me deeply, his hands wandering over my bum as I threw my arms around his neck and snogged him back. It may have been the booze, or the sense of occasion, but I suddenly felt super horny and grabbed his hand, to lead him into the toilets.

When he realised where we were heading, he pulled back and motioned towards the exit with his head – he wanted to take the fun elsewhere. I was up for that! I followed him, until he stopped me for another snog – this time, his hand creeping up my flimsy top for a quick grope. I pushed my body against him, feeling the bulge in his jeans hard and straining to get out.

After we'd collected our coats from the cloakroom, we left the club and found a doorway immediately outside, which we paused in to have another kiss. This one seemed much more passionate and wanton, almost desperate, our hands exploring each other.

It was a cool clear night, and after walking away from the noise of the nightclub for a few minutes, Matty (as he introduced himself as. I would've preferred for us to remain anonymous, but hey!) spotted a large park and we wandered in through the open gates.

Finding a nice wooded area away from the streetlamps, we leant up against a tree and carried on making out. Matty's hands again went straight up my top, but instead of having a quick grope, this time he pulled it up above my bra-less boobs and bent his head to suck on my nipples.

I gasped, throwing my head back and used my hand to feed them into his mouth, encouraging him to suck harder. With my other hand, I rubbed the outline of his stiff dick, loving the way it twitched under my touch. I tried to unzip his fly with one hand, but didn't manage it so, as much as I was enjoying him paying attention to my nips, I dropped to my knees so his crotch was at my eyelevel. Pulling his zip down, I reached my hand inside and gripped his warm, tool. He was big, even by my high standards! Undoing his button, I pulled his jeans open, then I looked up into his eyes as his cock bounced free, maintaining that eye contact as I slipped my lips around the tip. Sucking deeply on his erection I savoured the seepage from his cockhead while caressing his tightening ball-sac. I took him to the back of my throat a few times, before moving my attention down to his balls.

> “I took him to the back of my throat a few times, before moving my attention down to his balls.”

“Oooh fuck!” Matty sighed as I started wanking the shaft of his cock with just his shiny plums in my mouth. I made him groan as I explored with my tongue, tracing the curves of his flesh before raking the sensitive underside of his glans and heading back for his big prick. “Jesus, that's nice.” Matty's hips rocked back and forth, searching for stimulation. He held my head, sawing his engorged penis back and forth inside my welcoming lips. At first, I simply followed his motion, learning what he wanted and then I added my own twist, giving him what he needed. Plunging down his shaft, the hot crown surged towards the back of my

mouth with every stroke.

I knew he wouldn't be able to hold out for long – and I certainly didn't want to waste his thick schlong – so as soon as I felt his muscles tense up, I pulled away and stood up, pulling my short skirt up as I did, enticing him to fuck me.

Matty took off his coat and spread it on the ground, motioning for me to lie down on it. I obliged, my wet pussy aching to be sated. The grass was damp with dew, and, as Matty's jacket was only large enough to protect my back and shoulders, my bare arse was pressed into the wet grass. He quickly lowered himself between my parted thighs and I felt his blunt sword butting against my fanny lips. Reaching down to part them, I guided him inside me, relishing the way he pushed in slowly, his girth stretching me wide. I sighed loudly as he withdrew, before entering me again, faster this time, and filling me up completely as he thrust his hips forward. Groaning, I lifted my hips to meet his, our genitals slapping together as we fucked like animals.

Harder and faster he slammed his big cock into my hole, making me rake his back with my nails as I lost all control. Wrapping my legs around him, I clung onto him with all my might as he ploughed into me. With each lusty jerk of his muscular buttocks Matty shoved his thick weapon deep inside, pounding my naked bottom into the cold, wet herbage. The feeling was so fucking naughty and my pussy responded eagerly by gripping his prick hard with every stroke.

> “Harder and faster he slammed his big cock into my hole, making me rake his back with my nails as I lost control.”

Now and then, we could hear the voices of people passing and it was difficult to know if they could hear the distinct squelching sounds as my pussy responded to his thrusts. Biting my lip to stop myself from crying out as a strong orgasm convulsed through my fanny, I bucked in a veritable frenzy as he rammed his cock in to the root and ejaculated deep inside me, making me quiver with ecstasy.

After tidying ourselves up, we made our way back to Matty's flat, which was just around the corner – and we stayed in bed for the next two days, I swear! We fooled around for a few months, but it was clear that we had nothing in common but pure animal attraction, which just wasn't enough in the end.

It was enough, however, for me to be very glad I went out on the lash last New Year's Eve and I'm really hoping I have a similar experience this one, too. If I do pull, which I'm pretty sure I will, I'll write in and tell you all about it!

GOT A FILTHY ADVENTURE YOU'D LIKE TO RELATE? If so, why not drop us a line at Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com).

DEAR MEN ONLY,

From the day I started my new job as a waitress, I noticed the running joke in the restaurant about our female manager and her active sex life with other women. Some of the girls then told me that they're sure I'd been hired because of my 'cute arse', and that she'd never 'had a redhead' before. Whilst this made me feel a little put out, I found myself wondering whether it was true, and surprisingly the thought of it didn't make me uncomfortable at all.

> "...she foraged for my clit with the tip of her tongue, and began to work it slowly at first."

About a week into my job, I'd been told that in order to work 'front of house' some shifts I would have to be till trained, and this would mean staying behind to learn. I was surprised to find that Liz, our manager, was training me herself, and that it would take place in her office. I was a little nervous, but was immediately greeted by Liz who showed me to a seat in front of an automated till. As she leaned over explaining the functions of each button, she was very professional and I was scorning myself mentally for listening to the other girls. However, I then got a real shock.

"Look, I'll be honest with you Annie," she began, "I find you very attractive, but If you're not interested, I certainly won't pursue it anymore." It was so matter-of-fact, that it was by far the politest come-on I'd ever experienced, and I didn't reply at first. "I'm sorry if I've made you uncomfortable," she apologised. I turned around in the chair, and on seeing her staring deep into my eyes; I felt butterflies in the pit of my stomach. I'm not sure where it came from, but I half-closed my eyes, leaned forward and offered my open mouth for her to kiss.

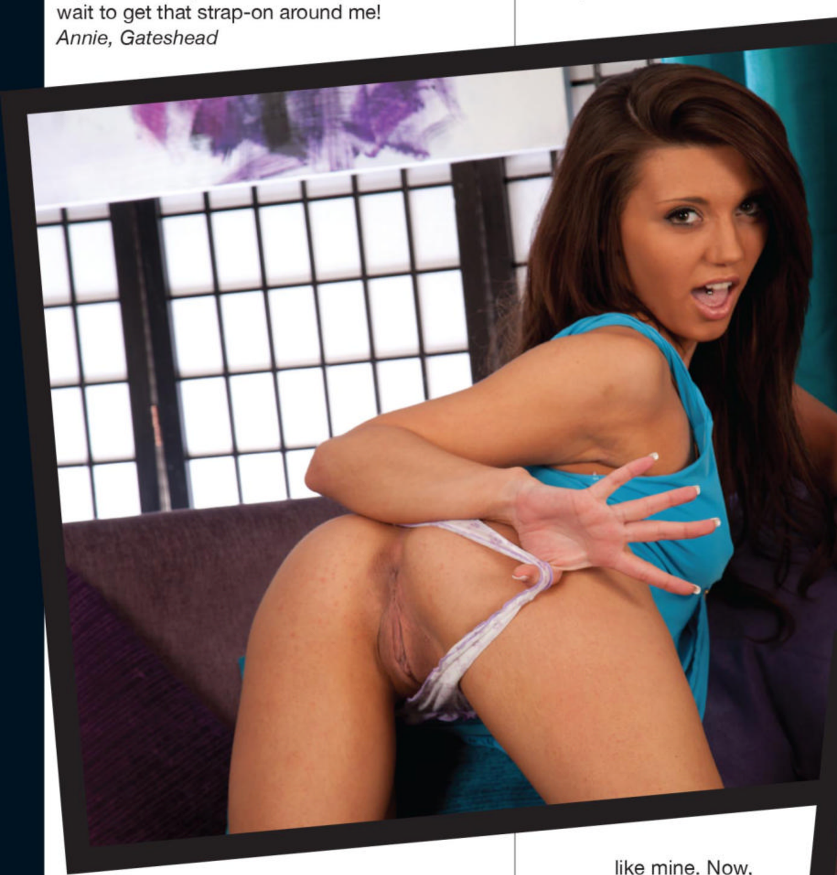
Her response was immediate, and she treated me to the most sensual kiss I've ever experienced. She then pulled away, looked at me longingly, before dropping to her knees in front of my chair. As she parted my thighs, I felt like I was having sex for the first time, as I'd never been with a woman.

Liz's gentle touch was making my body twitch and quiver with delight. Pushing my panties to one side, she foraged for my clit with the tip of her tongue, and began to work it slowly at first. I wrapped my thighs around her face as her mouth enveloped my mound, her tongue deep in my cunt. Returning to my clit, she flashed her tongue against it so quickly that I had to hold on to her hair, as I was shaking with pleasure on the chair. I was riding her face, and she didn't pause once, working herself into frenzy against my pussy. Sensing I was on the brink of orgasm, she immediately lifted her head away.

"Do you want to be fucked?" she brazenly offered. Still panting, with my twat aching for her, I nodded, almost begging. I had never seen a strap-on, apart from in magazines, and watching her take off her skirt and buckle herself into it over her tights was horny as hell. Undoing her blouse, she approached me, stroking the rigid shaft. She was certainly in control and pulled me up, turned me round and bent me over in one swift movement. My hands were on the chair, and taking hold of my hips she began to work the plastic cock inside me. I could feel her manicured hands digging into my arse whilst she pumped my sodden pussy.

I was squealing with delight as she continued fucking me. I had to get at my own clit, and with two fingers played with it whilst she urged me to cum. In seconds, I was covering the strap-on with my juices. With the final shudder of my body, she withdrew the strap-on from inside me. She stood beside me, the strap-on protruding from her, and her chest covered in sweat. I felt like a total whore, and couldn't quite take in the experience I'd just had. However, I also couldn't wait to get that strap-on around me!

Annie, Gateshead



DEAR MEN ONLY,

Hi, I'm Katy, and I've been expecting you. Hope you don't mind that I've started without you. You see, I was getting all randy sitting around waiting for you, so I slipped my hand inside my thong and gave my clit a bit of a frig. And then I had to do it a teeny bit more, and before you know it – well, let's just say that I'm primed and ready for you, lover.

Right – now you know what a dirty cow I am, I think I should tell you that I've got plans for you. That's why I was waiting – and now that you're here, I can see that you're not going to disappoint me. All I need to know is: does the thought of getting down and dirty with me get you nice and hard? Ohh, I can see it does. That's a result, because that means you're going to get to fuck me!

> "Do you like it when I swirl my tongue around the head of your cock like this?"

I can feel that tight hole between my legs juicing up nicely already. It'll be so nice to feel the girth of your dick stretching my cunt, and to feel its length inside me, the tip tickling my G-spot on each powerful thrust… oops, I'm getting a bit carried away with myself – that's for later. For now, how about I get naked for you – would that be alright?

Just give me a second to get this dress off… there. How'd you like my tits? Hope you like them pert and firm like mine. Now, why don't you make my nipples nice and hard? Go on, feel how firm my tits are. MmM, it feels good when your hand brushes my nipple. Oh! That's it. The feel of your tongue would be even better, though, so go on; suck my nipple. Oh, you want to see what my pussy looks like, as well? Greedy sod! I bet that's not all you want with my pussy, is it? Well, go on then, you can peel my thong off – that's it. Now, what d'you reckon to this little 'landing strip' of pubic hair? I shave my minge that way so the whole works are on show.

Well, now I'm completely starkers, how about you? It hardly seems fair; you there fully clothed. And anyway, I'll need access to at least one piece of naked flesh or this isn't going to go as I'd planned it. Let me give you a hand with those trousers. Button – now the zip – now let's see what's in these pants… ohh, am I going to have a good time with this! Kick 'em off, so I can get completely free access. Now that I can see your erect cock I've got to have a taste. I just can't resist!

Mmm, do you like it when I swirl my tongue around the head of your cock like this? You do, huh? How about when I just catch its rim with my teeth like this? I reckon you do, judging by that salty taste of pre-cum in my mouth.

> "On each stroke I'll take your cock in as far as I can, till I'm almost gagging."

That's made my mind up. Before we do anything else (and we will!), I'm going to suck you off. I do apologise for the delay! First I'll lick your cock all over – and your balls too, giving you a bloody good tongue-bath. Then I'm going to take your helmet into my mouth

and French kiss it while wanking your shaft with my hand. How's that sound? When your cock's as hard as it can get, you'll be feeling your orgasm building up in its base. That'll be when I'll switch to deep-throating you. On each stroke I'll take your cock in as far as I can, till I'm almost gagging. Then I'll slide it out, my lips caressing the saliva-slick edge of your helmet. While I do this, I'll also be gently tugging on your balls.

My sucking will build in pace, steadily at first, then frantically, until you're pumping in and out of my mouth, fucking my face hard and fast. By this point you'll feel your jizz burning its way up your shaft, to suddenly fountain inside my mouth, powerfully spurting your rich, thick spunk over my tongue and down my throat. You ready for that? Here goes, then… I know you're going to cum loads. Come on – I want to taste all that lovely spunk, feed it to me… yeahhh, here it comes – oh, mmmmngh! Now, kiss me full on my mouth. I want to share the taste of your jizz with you – mmm. I'm sure you'll return the favour and share the taste of my cunt with me later.

Well, now you've got the taste of your own jizz in your mouth, how about spreading it to my cunt. It's feeling a little left out of the action at the moment – but fuck, is it wet! Oh yeah, the touch of your tongue just sent a thrill right through me. That first lick parted my pussy lips as you moved your tongue up and over my clit. That's it, probe it deep inside my hole – tongue-fuck me! How do I taste? How does my cunt taste? Kiss me so I can see what I taste like! Ohhh…

I love the feel of the tip of your tongue as it passes over my swollen little bud. Switch from mostly tongue-fucking to mostly clit-licking… uhhh. Ohh, my cunt feels really empty now, though – how about finger-fucking me as your tongue works over my clit?

Oh God, that's two fingers, isn't it? Go on, push them right in to the knuckle. Push hard! God, I can feel it – fuck, I'm gonna cum soon. My whole cunt's twitching and my clit is fair burning up. Come on, ram those fingers into me hard! Your hand must be aching, but don't stop… it won't be long now. That's it – now!

Ooohh. Let me lick all my own juices off your fingers. Yum. Now, if I recall correctly, you were going to fuck me, weren't you? Well, in that case, I think we'd better get on with it, because I don't think I can wait any longer to feel your stiff dick deep inside me.

I'll get on all fours – I love it from behind. Doggie's definitely my favourite position. Woof woof! Oh yeah, I can feel the tip of your dick at my pussy lips. Ram it in – go on, stick it in me! Aaaahhh. Okay, just rest there for a moment. Let me feel you filling me. I love the feeling in my cunt lips when they're stretched around a nice, fat cock. That's it – slooowly now, just slide in and out nice and easy. Yeah, just like that. I like to build the pace up nice and gradual, like – that way, when I eventually climax, I cum so much harder.

Alright, you can get a little faster now – oh yeah. And harder. No need to be so gentle – my cunt won't break! Mmm, your hands are rubbing on my tits; your fingertips gently pinching my nipples, working them up to maximum hardness. You don't know how totally fucking hot that feels. Oh, bloody hell, yes – your dick's digging deep, plenty deep enough now that you're banging my G-spot. Can't remember the last time I got fucked so good! Come on, pump me faster now, harder. Use one of them hands on my clit, give it a good old frig… come on, you wonderful, horny fucking bastard, you're going make me cum so fucking good!

> "That first lick parted my pussy lips as you moved your tongue up and over my clit."

That's it – bang into me as hard as you fucking can! Don't hold back – don't hold anything back. And don't hold back on cumming yourself, either – I want to feel that flood of fluid in my cunt. Oh yeah, feel my cunt clamp tight around your cock as I cummme… oh yes. Yesss! Now fill me with your jizz – uhhh… I felt that burst out. Fuck, what a fuck! Hope I get to fuck with you again, stud – the sooner the better!

Real Life Adventures

Girls behaving badly...

I was a bit of a late developer and hadn't even seen a porn film until I was 18 and someone put on a DVD at a party, but although I joined in the laughing and heckling, I felt a tingling sensation in my pussy from watching people fuck. It seemed weird at the time – I didn't actually fancy the men, but just seeing them getting off did it for me – and I don't think I fully understood it.

It was almost a year before I saw my next one. I was living in a mixed house-share as a student and trying to get myself off and having no joy – sometimes all the rubbing in the world doesn't hit the spot, and I wasn't as experienced with my body back then as I am now.

I felt so desperate; I sneaked into my most laddish housemate's room – the one most likely to have a porn stash! And, bingo – there it was under his bed, so I borrowed a DVD.

I felt so daft, and a bit guilty, and the acting in the film was as laughable as the first one I'd seen. But the sex action was really hot. It turned me on immediately (I think the risk of getting caught with my pants down only added to the excitement), but I tried to hold off touching myself for as long as I could. My clit was swollen and pulsating as I gingerly used my fingertips on it, and as I felt the juices running out of my hole, I jammed my fingers inside and felt my muscles clench around them, really tightly.

I started pumping in and out of myself, which made my nerves throb even more, and even though my fingers were soaked, I built up enough friction to cum all over my own hand within just a couple of minutes.

> “Rob sat on an armchair with her on his lap, pulling her knees right up and out so he could screw her really deep.”

I felt a little bit weird afterwards – I remember scrabbling for the remote because now I'd cum, I didn't want to see any more of the film. But then, about half an hour later, I hit play again – and not 'cause I was desperate to know what happened in the "story"!

The scene that now came on had this huge bloke and a much smaller woman, who he was virtually throwing around – not in a bad or nasty way, just flinging her into a position, shagging her for a bit, then moving her into the next one. She was loving it, anyway – whenever he slacked off, she dug her heels in, like she was spurring on a horse, and screamed like a right slut, demanding he give her his cock even harder. It was such a huge turn-on!

When they'd gone through pretty much every position I could think of, and more, he flipped her on her back and pushed his prick in between her tits. She had a fairly big pair, and he squished them together as he jammed his length between them, his helmet poking out between her cleavage until eventually, his body jerked, and he came, jizz spurting out all over her tits and face. It was so horny!

I ended up spending all afternoon working my way through the porno – I'd return it when I was good and ready! A few scenes stood out, but my absolute biggest turn-on was the anal sex.

Maybe it's because I'd never tried it at the time that I found it so horny. It was a bit shocking at first – you got a close-up of this girl's tiny, tight arsehole, then this huge helmet appearing next to it. Even though both of them were well lubed, when he started pushing in I thought there was no way she'd take it, but her arse stretched open, the skin of it pulled tight, and he spread her cheeks wide so you could see everything as he sank in down to his balls.

Best of all, they didn't have any music, just the sound of his wet cock slurping in and out of her arsehole, and her moans as she came like crazy, sawing away at her own clit.

> "I started lapping up the cream oozing out of her, enjoying he moan as I licked near her arsehole."

For ages, watching porn was my dirty little secret. Once, I asked my mates if they ever watched it and the best answer I could get was, "sometimes, for a laugh." A few said it was disgusting and didn't get how it could turn anyone on. So I kept my viewing habits to myself.

Things finally changed when Darren, a bloke I was seeing, suggested watching one of his together. We saw about the first 15 minutes, touching each other up and sneaking quick snogs, but then we got really horny and left the tape running as we fucked.

Darren went on top, and I kept looking over his shoulder, watching as the girl on screen sucked cock. It added another level of pleasure, and it was the best fuck I'd had up until that moment. And far from being offended, it seemed to turn him on, as he'd never known a girl who was really into porn. And boy, am I into it!

One of my favourite things is trying out stuff I see in films. Sometimes it's a dead loss – positions that look really good on screen and let the camera get in close are sometimes useless if you just want to cum! But I've had plenty of inspiration. My current man, Rob, is well into me watching porn – I don't think I could even be with anyone who wasn't!

He's pretty adventurous, and in recent months, we've got into threesomes. We saw two girls and a guy in a film, and decided to give it a go.

It took a couple of weeks to find the right person, Sammy – none of our friends were obvious choices, so we found someone online. And when she came to ours, we kicked things off by watching a threesome clip.

We had her sitting between us on the sofa, and I started stroking her thigh. She was wrapped up in watching the scene but, at the end of it, she turned around and started snogging me. We undressed each other slowly, but left our heels on – Rob likes girls in stilettos – then shunted him off the couch so we could sixty-nine on it.

I'd seen the scene often enough to be able to 'bring it to life' for Rob, and luckily Sammy was happy to follow my lead. One of the hottest bits is when the girl on top grinds her cunt up against the other one's boobs, so I played my nipple along Sammy's slit till she took the hint.

She was so wet my tits were slathered with juices, and Rob sucked them clean before rimming Sammy's arsehole while I sucked on her clit and cunt – and she came all over my face.

That wasn't the only scene we recreated. When it was Rob's turn for a go with Sammy, he sat on an armchair with her on his lap, pulling her knees right up and out so he could screw her really deep. And I got a great view of him pumping her, which was a bonus!

> "My clit was swollen and pulsating as I gingerly used my fingertips on it, and I felt the juices running out of my hole."

I started lapping up the cream oozing out of her, enjoying her moan as I licked nearer to her arsehole. I rimmed it, and when I flicked the tip of my tongue inside, she went crazy, wriggling so much that Rob's cock slipped out. She didn't get it back inside her till I'd had a bit of a suck, but then I switched to teasing his balls until his rhythm got too fast for me to keep up.

Our session didn't end up like the film threesome, though. Instead of cumming on Sammy's arse, Rob shot his wad inside her pussy then pulled out so I could lick his cock clean. Then he playfully pushed my face into her cunt. I ate her out until she came, and my only regret is that we weren't filming our own little porno.

That could soon change, though. Rob and I are playing around, filming short clips, and if you print this, who knows where it could lead…

AMBER & LUCY

Photos: **BB Media**

Amber Jayne and Lucy Alexandra have gone all noir on us, as they get more than a little intimate with each other. Lucy's face lit up with glee when Amber suggested her riding a strap-on. "I think my excitement was very obvious, and I just couldn't wait to fill Amber's slick waiting hole." Lucy replied, "I had to tell Lucy to hurry up as I was gagging for a good thrusting by the end of it!" As these two gently banter back and forth with one another, it's clear to see there's chemistry there and thankfully they used our lab to experiment in!

CAPRICE

Photos: **Dazglam**

Caprice is a filthy girl, so a quick rub-a-dubdub in the bath is just what the doctor ordered, but it doesn't seem to help with cleansing her mind, thankfully. I reckon even the Doc's thermometer wouldn't be able to cope with the sight of Caprice lathering up her jiggling jugs while uttering, "I need a rock hard cock between my puppies, and then a shower of a different kind!" We certainly couldn't!

GOT A FILTHY ADVENTURE YOU'D LIKE TO RELATE? If so, why not drop us a line at Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com).

DEAR MEN ONLY,

I have always felt bi-sexual, but have mostly had men throughout my life, and only a few flings with women. I'm not really interested in the lesbian scene, so your magazine is one way I can indulge my love for seeing beautiful women. As soon as I get it, I always flick through for any girl-on-girl shoots. Some of your models are incredible and I have recently become increasingly turned on by the sight of their manicured toes and cute feet. Then when another girl's mouth nears this area, my fingers instinctively work faster at my clit. I'm sure your male readers love to see this as well, so I just had to share this with you.

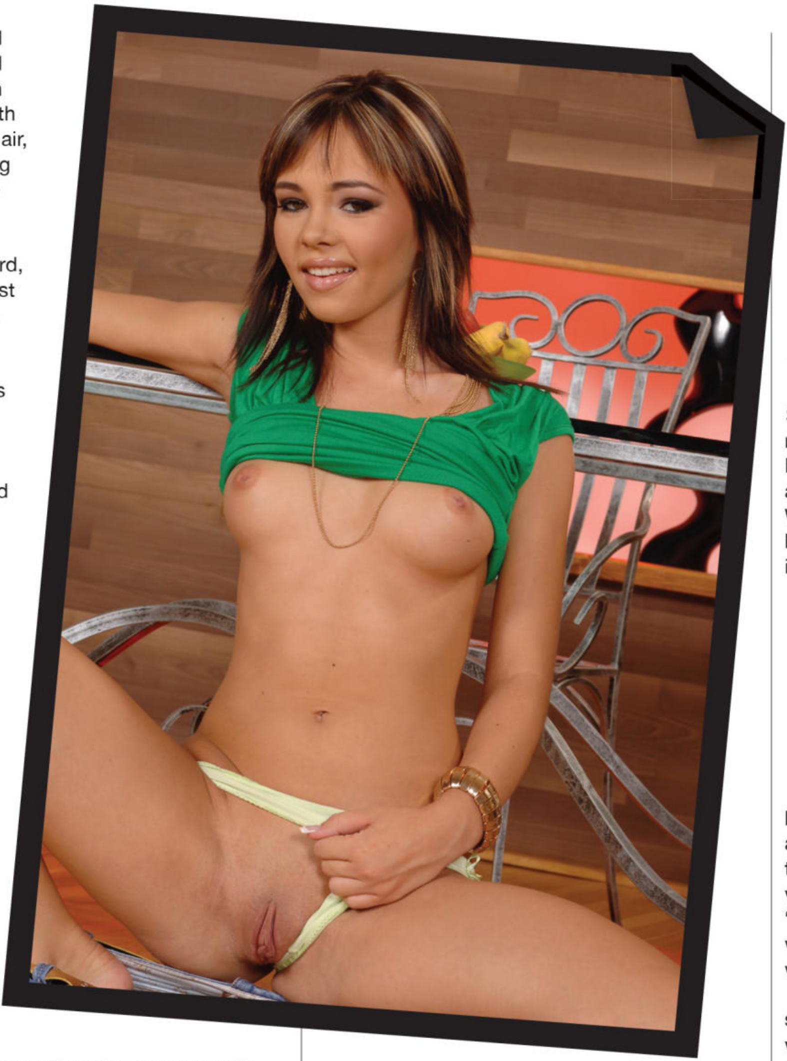
> "She had waited long enough, and I drove the length inside her, still with one leg up in the air..."

My most recent experiences with men had been a series of 10 minute fucks, so I needed some intimate female loving. I knew that Angela on my floor at work was well known as a bit of a swinger and spent the best part of a week chatting her up and making suggestive comments. Eventually on Friday she was very brazen, and openly asked me, "Do you want to be with me tonight?"

Within minutes we were out of there, Angela on the phone to her husband casually announcing that she wouldn't be home. As soon as we were inside the door of my place, Angela had taken off her jacket and was unbuttoning her blouse. She then sat on the edge of my bed, with her luscious breasts filling her bra, exposed through her open blouse. My eyes were drawn down to her feet, the toenails painted pink, at the front of her strappy-heeled sandals.

I'm not sure what came over me, but I got on my knees, and began to kiss at her small feet. I then worked my tongue up her leg, but found myself wanting to return to them. She pulled my head up and parted her legs, showing me where she wanted my tongue, and pulling her panties to one side I extended my tongue and flicked at her clit to tease her. She wanted me straightaway and took the back of my head, pushing my face into her snatch. She had a sweet tasting pussy, and I stayed there ages, probing and fucking her hole with my tongue and alternately thumbing and licking her clit.

"Have you got something to fuck me with?" she abruptly asked, and after a couple of minutes I returned from my en-suite, naked, wearing a strap-on. I raised her right leg, as she laid back, her arse still on the edge of the bed. I undid her sandal and dragged my tongue against the sole of her foot, and then squeezed it between her two larger toes. I then took her big toe into my mouth, licking and sucking it like it was a dick. The rubbery prick, strapped around me, just rested against her entrance and she was panting in anticipation. I began taking every toe against my tongue, one after another, until I had both feet in my hands, totally lost in the moment as she writhed in ecstasy on the bed.



She had waited long enough, and I drove the length inside her, still with one leg up in the air, that I was cradling and licking at the ankle. From this position I could really fuck her hard, whilst she was lost in her own world, moaning in a low tone, telling me how 'good' it was and strumming her own clit. "I'm cumming," she virtually screamed at me and taking her right foot in both hands I took nearly all of it in my mouth, my own pussy now soaking as the shaft of the strap-on became slick with her juices. I came myself, and my pussy hadn't even been touched yet!

"You've got a bit of a foot fetish, right?" Angela asked after recovering, to which I answered with a shrug and a smile. "Well, let's see," she said, before pushing me back on the bed. However, with my big toe in her mouth and her three fingers in my cunt, I could barely last two minutes before moaning in ecstasy. From now on anyone who gets with me, whether it's a man or woman, is shown exactly which part of the body to go to first!

Hannah, Burnley

DEAR MEN ONLY,

I always go out on the pull with my flatmate and we love getting a couple of girls back to our place, getting our wicked way and then sharing stories in the morning. We normally have a policy of strictly one-night stands, however for the two girls we brought back a couple of weeks ago, we've had to make an exception. The next day, we discovered that both of us had taken each girl anally and they had both swallowed! However, the next time was even better.

"I then teased her pussy lips with the tip of my cock, before pushing deep inside her."

After a few preliminary drinks down our local, we were back at our flat by nine o'clock, with both of us gagging for it. Sally, who I fucked the first time, however, was all over Tim and it seemed like Melanie, the other girl, didn't mind. In fact, she was almost encouraging it, giggling with Sally over the slightest thing. Melanie was all over him also, and when he tried to take her off to his room, Sally took hold of his face in both hands and kissed him full on the lips. Meanwhile, Melanie was behind him undoing his flies!

I couldn't believe what I was seeing, and when Sally knelt on the floor in front of Tim, he gave me a huge grin, his eyes wild with excitement. Melanie had now come around in front of Tim and was pulling Sally's hair back from her face. When she had it all in her hands, Sally dipped her head over Tim's dick, taking the full length immediately. Melanie was urging her to, "Suck his cock, Sal," and instructing her how to lick it and when to take his balls in her mouth. Melanie then glanced in my direction and could see I was looking concerned at being left out. "Don't worry, it'll be your turn soon," she said, which made my prick ache and throb with anticipation.

"...she began to climax, letting out heavy groans as my shaft became slick with her juices."

I didn't have to wait long, as Tim was so excited he shot his wad in minutes, with Sally dutifully taking it down her throat, just as she had done with mine a week earlier. Melanie was pulling off her jeans and knickers. I'd never seen girls act like this before!

Melanie lay on the floor and smoothed her thighs open, waiting to be fucked. I barely got my trousers to my knees before I was up inside her, holding her arms down over her head and banging away at her pussy. Just like Melanie did before, Sally was urging me to, "Fuck her harder," and was lying next to her, stroking her hair and smiling as Melanie's eyes began to glaze over. Gripping me with her legs, she began to climax, letting out heavy groans as my shaft became slick with her juices.

I wanted both girls, and taking my still rigid dick from Melanie, I manoeuvred Sally on to her knees and took her lovely round bum into my hands. I then teased her pussy lips with the tip of my cock, before pushing deep inside her. I dragged nearly the full length back out before driving back inside her, and repeating it over and over again as she squealed with delight. Melanie, who was barely recovered from her first orgasm, soon had Tim's meat sliding inside her, and let out a low moan of ,"Oh, fucking yes Tim," as he drilled her.

Seeing these girls behave like total sluts became too much for me and, taking my shaft from Sally's sweet hole, I gripped the base of my dick, causing my spunk to jet against both her holes. Tim was filling Melanie with his second load, and as she took it she looked at me, pushed her tits together and ran her tongue over her lips. Sally turned around to lick me clean, and Melanie continued to tweak at her nipples and play with her clit for me, while Tim kept his prick inside her.

Now we've found these two girls, we no longer get to share our dirty stories of conquest the next morning. However, with all this action, I think I can live with it!

Marcus, Stockton-on-Tees
